

EZ NITRO

PLASTIC REPAIR STATION

DF-EZN1G/DXE

DITCH THE BOTTLE!
NEVER RUN OUT OF NITROGEN

NEW! Introducing the **EZ Nitro Plastic Repair Station - Extended**: Engineered to meet the needs of Premier Auto Body Shops everywhere. Utilizing our **Award Winning Nitrogen Plastic Welder** with a **Dual Chamber Nitrogen Generator**, the DF-EZN1G/DXE converts shop air into nitrogen and there is no need to refill nitrogen bottles! The easiest to use and most capable plastic welder station **EVER**, available only from Dent Fix!
